

NEWS FROM CLEMSON COLLEGE

(By E. D. Plowden.)

Clemson College, S. C., Oct. 10.—The Clarendon County Club has been organized for this year. The officers are: J. E. Hodge, President; E. D. Plowden, Vice-President; O. H. McIntosh, Secretary-Treasurer. At first it was thought that the club would combine with the Williamsburg County club, but this was found impossible in a way, and the club is now independent. There are eight boys from Clarendon County this year. The re-organization of the college band has been perfected earlier than usual this year. The band now has 34 pieces, and is in charge of a trained

band director, L. P. McCall, who has had many years experience along this line.

Over five hundred students, or more than 50 per cent of the student body, are enrolled in the recently organized Bible study classes under the direction of the Y. M. C. A. These classes are led by local ministers, members of the faculty, and students. These classes meet every Sunday night.

The radio broadcasting station is beginning to get under way, and though no broadcasting has been tried yet, it is thought that this station will soon be sending market news, crop reports, and concerts all over the country.

The improvements made on Riggs

Field for the big Centre-Clemson game will be of much permanent benefit to the field and will make future games more satisfactory for the management and for the spectators. The seating capacity is now around 4,000.

The Clemson "Tigers" defeated the Newberry "Indians" in a game of football here last Saturday by the majority of 57 to 0. At the same time the Clemson Freshman team battled the Piedmont team to a scoreless tie over at Demorest, Ga. The "Tigers" are determined to win the State Championship this year and from all appearances it seems that the State rag is within easy reach of the fast and fighting Tiger eleven.

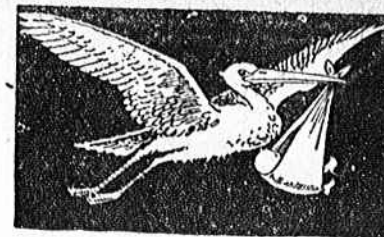

Perhaps the hardest game of the season in this State is with the Carolina "Gamecocks," but the Clemsonites are ready and able to cope with any team in the South. The Clemson-Carolina game will be played on October 26th at the State Fair in Columbia. Clemson meets the Presbyterian College team here next Friday, October 13th, and then for Carolina with a rush! The first game of the season was with the Center College team, the greatest football machine in the world, here on September 30. Clemson held the center team to a 21 to 0 score, which was an excellent showing. Around 6,000 people saw this, the greatest football game in South Carolina girdiron history.

THE PEE DEE FAIR

Florence, S. C., Oct. 11.—The Blue Ribbon athletic event of the Pee Dee section this season will be the football game between the Furman University and The Citadel at the Pee Dee Fair October 19th. The game will be called at 3 o'clock in the afternoon, an hour which will enable those who want to see it a chance to come and return home in the afternoon.

Both teams are leading factors in the State Championship race for football honors and all, who like football will see a real game by two of the best teams in the State.

This is the first college game of foot ball played in this section in

What Every Expectant Mother Should Know--

Mrs. Laura Hendrix, Gracemont, Okla., says: "I want to express my appreciation of 'Mother's Friend.' I am the mother of six children, expecting another one soon. I have used 'Mother's Friend' with every one of my babies. I think it is the greatest help that has ever been discovered for the expectant mother. I can't do without it. I recommend it to all expectant mothers. I can't say too much for it."

"Mother's Friend" was originated by an eminent physician. It has saved thousands of expectant mothers from useless suffering. It is externally applied; aids the muscles and tissues to relax easily and readjust themselves to the changes during expectancy and up to the moment baby arrives.

"Mother's Friend" is safe and beneficial, and contains no narcotics or harmful drugs. Avoid more greases and useless substitutes.

Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradfield Regulator Co., B.A.-14, Atlanta, Ga., for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores—everywhere.

years and if the people patronize it, the game will be an annual event.

There is not a fan in the State who has not heard of the great foot ball machine Bill Laval has at Furman this year, and the same can be said of the Citadel Bull Dogs, the stars of these teams will be in action, at the Pee Dee Fair on the 19th. Reserved seats are now on sale at \$1.50 and the number is limited.

Another reason for cover crops: a fertile soil makes better use of its rainfall—whether much or little—than a poor one.
